

Part number

CX 4.0 PF

Brief description:

Pneumatic contacts, without closing valve, for tubes with internal Ø 4 mm;

Product description

Model	female contacts
Series	for tubes with internal Ø 4 mm
Variant	without closing valve
Family	Pneumatic contacts

Technical data

Operating temperature range (min, max)	-40°C ... +125°C
---	------------------

Further technical details

Weight	0,45 g
---------------	--------

Approvals / Standards

Quality mark	 , EAC
Conformity	Not applicable

General ordering information

EAN13 code	8015747042147
-------------------	---------------

Packaging Information

Sub-packaging length	50,00 mm
Sub-packaging height	44,00 mm
Sub-packaging width	50,00 mm
Sub-packaging volume	0,11 dm ³
Sub-packaging description	Plastic box
Sub-packaging quantity	12 Pcs
Sub-packaging EAN barcode	8015747042154

Part number

CX 4.0 PF
